

# Specifications

	IE 50	IE 75
Peak Power	75 HP	115 HP
Motor Weight	280 lb	309 lb
Tilt	Power	Power
Shaft Length	20 inch	20 inch
Battery Module	2 Packs	3 Packs
Battery Capability	32 kwh	43 kwh
Battery Dimension	39.8*22.4*7.5 inch/pack	27.6*17.7*10.2 inch/pack
Battery Weight	473 lb	682 lb
	IE 150	IE 250
Peak Power	200 HP	350 HP
Motor Weight	381lb	410 lb
Rated Speed	4000 RPM	4000 RPM
Input Voltage	800 Vdc	800 Vdc
Cooling Mode	Internal Cooling	Internal Cooling
Battery Type	Semi-solid State	Semi-solid State
Battery Capability	86 kwh	172 kwh
Onboard Computer	•Display: 7"-11" Touch Screen, 1024x800 pixels, WVGA Color/IPS •Waterproof: IP67 •Mounting Options: Flush, Tilt/Swivel •Connections: All-in-one cable (CAN, 3.5mm Aux) / Wi-Fi	
Smart Charger	•Power Input: 12.3 Vdc •Typical Current Draw: 0.75 A •Max Current Draw: 1.5 A  •Size option available: 15A/30A/50A Max 6.6kw; DC fast charge (1 hour) •IP67 Portable Charger System	

# Warranty

5 years	Battery (500 hours), Battery Control Module
3 years	Motor Controller, Motor, All component in the Gear Box, Gears, Shaft, Inverter, Intelligent Power Supply, Motor Logic Controller, Hybrid Controller, Propeller, Relay, Pump, Hydraulic Tilt
1 years	Electronic Package: Onboard Computer, Screen, Digital Throttle, Smart Charger, Smart Key

No warranty for consumable parts (\*Impeller, zinc and gear oil)
